A one-night event in TechTown:

Preview of Re:View Contemporary's **New Design Store**

Friday, **December 4**, 6 pm - 10 pm

Re:View Contemporary Gallery and **TechTown** are partnering to offer a one-night preview event of art and design work from **Re:Design**, Re:View Contemporary Gallery's new Design Store, opening at the gallery's Midtown location Saturday, December 5.

Showcased at this exhibit will be representative items from Re:View's Design Store ranging from conceptual functional art pieces to everyday-use contemporary design items such as chairs, tables, and shelves. In addition, a small-items area will display objects such as ceramic ware, decorative items, jewelry, t-shirts, and other unique design gifts.

Re:Design, the Event, will take place in a 10,000 sq ft raw space in the **TechOne Building** Friday, December 4, 6 pm -10 pm, with a reception including music, wine, and food. All items in the preview will be for sale the night of the event.

A special preview for **TechTown staff and residents** will be held **Thursday, December 3**, from 10 am – 1 pm. A **10% discount** will be offered to TechTown staff and residents on all purchases of art work or design items.
